

Spark – User log in / registration journey

1

From 1st July, you can download or update the **Spectrum.Life** app.

You can also access **Spark** at: landg.spectrum.life

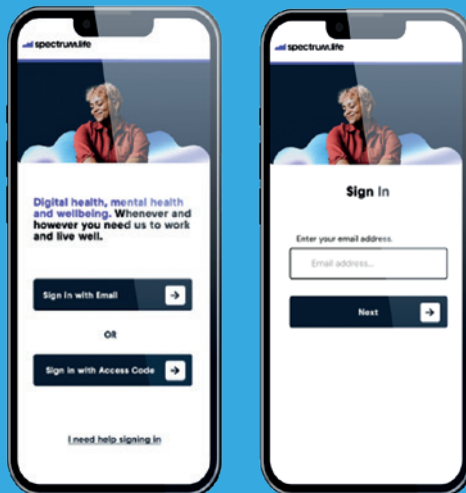

2

Once you've downloaded the app, you'll be given the option to enter an email or access code – choose email.

If you previously accessed the app using the **Be Well** code, you can enter any email address you'd like to register with.

If you registered using a unique company code, use the email address you originally signed up with.

Then tap **Next**.

3

If you previously registered using a unique company code, enter the password you originally set — you'll get instant access to all the **Spark** services.

If you previously accessed the app using the **Be Well** code, you'll be asked to enter a few more details:

- First Name
- Last Name
- Organisation code
- Create a Password
- Repeat Password

4

Enter your details and the Organisation Code, then tap **Sign Up**.

You'll then get access and be able to see all the new **Spark** services and features available to your organisation.
